Dessert wine

2013 Darling Park “Robinson Vineyard” Ice Viognier, Mornington Peninsula, Vic.

Ice wines are usually produced in extremely cold wine regions such as Canada or Germany, where the grapes are naturally frozen while still on the vine. The Mornington Peninsula is not one of these regions but the same result can be achieved mechanically, producing a wine of pure, bright and unaltered freshness and intense sweetness. Made from Viognier, this single vineyard wine is unsurprisingly extremely luscious with notes of honeyed apricot and lemon curd. A delicious summer wine!!
